THE WEEKLY BULLETIN OF THE ROTARY CLUB OF LIKAS BAY

## The Future of Rotary is in Your hands

2009/27 & 28

13 January 2010

### PRESIDENT'S MESSAGE

We are very fortunate indeed that there is Rotary in this world and that we have the privilege to call ourselves Rotarians. But more significantly, we are granted this gift to be able to use our physical and mental resources to be of service to mankind in their various needs.

The 2009-10 theme 'The future of Rotary is in your Hand' will act as a daily reminder of what ordinary people can accomplish through the extraordinary work of Rotary. What makes Rotary great is our expressing the love in our hearts through the work of our hands and our minds.

As Rotarians, we don't just sit back and talk about loving other human beings. As Rotarians, we demonstrate that love, and we share that love, through helping each other.

Almost everything Rotary does involves sharing, contributing and sacrifice. We share our time, we offer our talents, and we contribute our money to those who need our help. Finally, we are prepared to sacrifice our utmost to serve the community in need.

I take this opportunity in the first week of 2010 to thank all the Likas Bay Rotarians who have shown their full commitment in the past six months, and I challenge all the Rotarian of Likas Bay to share more time, to offer more talents and demonstrate more generosity and loving care for the next 6 months.

I wish every Rotarian and family members a blessed 2010!

**A GUIDE TO DAILY LIVING**

Before doing the things we want to do, consider first, the precept of the guide. Ask yourself these 4 questions and act upon them:

- First : Have I spent some time to self examination?
- Second : Have I spent quality time with my family?
- Third : Have I given my best to my work?
- Fourth : Have I given some time to someone near and far?
