THE WEEKLY BULLETIN OF THE ROTARY CLUB OF LIKAS BAY

## The Future of Rotary is in Your hands

2010/33 & 34

03 March 2010

### PRESIDENT'S MESSAGE

The recently concluded International Night has once again proved to be very entertaining. It is indeed an occasion for Rotarians from all the seven Rotary clubs to gather together and share fellowship. The different presentations by the clubs are always enjoyable but

this year the students theatre group proved to be rather more entertaining.

Another opportunity for fellowship will arise when we gather for the Pan-Borneo Meet in Tawau on 12-14 March. Rotarians who have never been will find this a wonderful opportunity to meet up with Rotarians from Sarawak and Brunei. The programme has always been interesting and we will be able to share many ideas of common interest to all Rotary clubs in our areas. I strongly encourage Rotarians to attend.

This Friday, a group of us will be flying off on our return visit to the Rotary Club of Lu Chou, Taipeh to celebrate their Anniversary celebration. We have always been very well taken care off when we are there and we look forward to meeting up with our friends again.

Our club has been very busy of late, with various projects and visits. Phase II of our Gravity Water Feed and Sanitation project will be launch later this month and we look forward to the completion of the Sanitation part well before the end of our Rotary year. The Rotary Youth Camp in Mambakut Resort should also benefit all our Interactors and Rotaractors and we look forward to it with eager anticipation.

- First : Have I spent some time to self examination?
- Second : Have I spent quality time with my family?
- Third : Have I given my best to my work?
- Fourth : Have I given some time to someone near and far?
