

The Past Rotary Year

True to the spirit of RC Likas Bay, the sun never sets, and the President and his team worked until the last day of the Rotary year.

Pix above show the Parenting Skills Seminar and Workshop being carried out last Sunday, 29 June 2008 at the Sabah Tshung Tsin Secondary School, with two renowned speakers and trainers, Ms. Ruth Liew, and Assc. Professor Dr. Aili Hanim.

Below: Community Service Director Charlie Tan gathered a team of Rotarians to assemble the prefabricated toilet structures before transporting them to Kg. Pahu, for the Phase 2 of the Clean Water and Sanitation Project, completed just in time for the Rotary year.

THE WEEKLY BULLETIN OF THE ROTARY CLUB OF LIKAS BAY

ROTARY SHARES

Issue No: 2007 / 46

2 July 2008

PRESIDENT'S TIME

It has been said that there is a time for everything. A time for laughter and a time for tears, a time for work and a time for play, etc. There is also a time for everything to END. Like the good guest, we should not overstay our welcome. Now it's time for me to step aside for PE Soon Lan to take over.

Today, Likas Bay created history with the installation of the first Lady President after 25 years of existence. This is a time for celebration which also coincides with our Silver Jubilee Celebration. I hope and believe that this is Soon Lan's dreams finally made real! In case you don't know, the Rotary theme for this year is "Make Dreams Real".

My dear Likas Bayers, my one year in office would not have been possible without your guidance and support. You were all there to lend a hand. Your assistance in all areas became my source of strength that lightens the task before me. The Rotary Anns, too, played a very supportive role and shared their time assisting and guiding my wife, Jacinta.

We sincerely thank you all and hope that we, too, could someday return your generous favour. As we take our leave, we will treasure the wonderful memories of the year where "Rotary Shares" as one of our treasured possession. Likas Bay BOLEH!

"A pessimist sees the difficulty in every opportunity; an optimist sees the opportunity in every difficulty." -Winston Churchill

Pix shows President Peter being installed by IPP David Kong, and receiving the Charter of RC Likas Bay at the end of June 2007.

Happy Birthday

CC Wong- 7th July

The Past Rotary Year

RC Likas Bay's balanced weekly programme includes speakers from within the club or outside, to talk on topical subjects, celebrating members' birthdays, and of course to induct new members into the club.

Under the New Generation Service Avenue of service, the Rotaract Club of Likas Bay had an active year, carrying their own community service in collaboration with our club, and joining in the ABO project, and the Vocational Guidance Seminar.

The Interact clubs, similarly had an active year, with projects right till June 2008. One such project was a One Day Training at the Fire and Rescue Department, KK

The Past Rotary Year

DG Chris Chen visited our club on 19 September, but also met up with members of RC Likas Bay on a few other occasions during the District Conference in Singapore, and the District Assembly in KK

Fellowship activities of the club is not limited to dinner evenings, but also golf outings with guests from Lu Chou. In addition to these, a group of Rotarians and families made a long awaited Cruise to Alaska and tour of the Canadian Rockies.

The Past Rotary Year

The ABO project carried out at Sook , with follow-up operation at the Keningau Hospital, was a major community service project with good participation of Rotarians and families.

Under the Vocational Service avenue, the Vocational Career Guidance Seminar and Exhibition was carried out in Membakut.

The official opening of the Sinalapat WCS project was witnessed by our partners, the RC Lu Chou, our sister club.

The Past Rotary Year

Each year, members of our sister club, RC Lu Chou join in our celebrations in August, in big contingent, and the two clubs were able to maintain a close relationship over the years, with exchange visits, and joint projects..
