

CONGRATULATIONS!!

Speakers ...

Speaker finder PE Datuk Peter Lim introduced the speakers from CIMB Bank comprising Enya Lim, Albert Lim and Chris Wong.

Mr Chris Wong introduced the bank's newest product the Max InvestSave which is a long term investment plan. It is a savings-cum-investment account that promises better returns than a fixed deposit account or a general investment account.

The account requires a minimum investment of RM 50.00 with 100% principal protection if held until maturity. Any amount can be withdrawn at any time without penalty and investors can choose from tenures of 15, 20, 25 or 30 years.

PRESIDENT'S MESSAGE

“Encouragement” is oxygen to the soul. It was indeed very encouraging to see the response of the general public at the blood drive carried out by our rotaractors last Sunday. It was carried out in collaboration with the QEHL. Some of our members

were present not only to give moral support but also to donate a pint.

Membership is another issue constantly on my mind. Our club average age is not so desirable and we should really take action. Our membership chairman has already done a buddy list and I believe that will not only help in regular club attendance but also foster closer relationship and friendship. It is intended to spin off the introduction of potential members as well. So Likas bayers, please think of your neighbors, friends, ex-classmate ask someone whom you most probably least expected to our meeting.

As I have written in the last issue, Continuing education is important in all fields so the same apply to Rotary. Please sign up for the District Conference (DISCON) in Brunei 14th to 16th November at the Empire Hotel. So far 6 rotarians, 4 rotary spouses and 3 rotary children from our club have registered for the DISCON. I would like to see more from our club.

“Few things are impossible to diligence and skill. Great works are Performed not by strength but by perseverance”

A GUIDE TO DAILY LIVING

Before doing the things we want to do, consider first, the precept of the guide. Ask yourself these 4 questions and act upon them:

First : Have I spent some time to self examination?

Second : Have I spent quality time with my family?

Third : Have I given my best to my work?

Fourth : Have I given some time to someone near and far?
