PRESIDENT'S MESSAGE

Last weekend, on the 11th July, a number of Rotarians with their spouses and I were present at the Installation of the Rotaract Club of Likas Bay. It was a gala evening and we witnessed the installation of the new President Nicholas Lo. I take this opportunity to congratulate Immediate Past President Esther Chong for her leadership during which a number of new Rotaractors were inducted. The Rotaract Club of Likas Bay is now one of the most active club in our district. Our Club will do well to learn from them!

Our first Club Assembly last week has highlighted all plans for this coming Rotary year. Members will realise that we have many interesting and ambitious projects planned and in order to carry out all of them successfully, we will need all hands on deck! I look forward to working closely together with all our members.

- First : Have I spent some time to self examination?
- Second : Have I spent quality time with my family?
- Third : Have I given my best to my work?
- Fourth : Have I given some time to someone near and far?
