Most of our members will probably still remember a visiting Rotarian Peter Assor and his wife Sigrid who visited our club three weeks ago. In response to the e-Gelombang that I sent them they wrote back and I thought that their reply would encourage members or at least provide a glimpse of our club from an outsider's viewpoint - Ed.

Dear members of the Rotary club of Likas Bay,

My wife and I want to thank you for the warm and nice reception at your club. It has been a memorable time and I am honest when I tell you, I have never been at a club like yours. The atmosphere between your member were just outstanding!!! Hope to meet you again sometimes in the future.

Thank you once more,
Best regards,
Peter and Sigrid Assor

PRESIDENT'S MESSAGE

I am indeed happy to hear Community Service Chair PP David Kong informing our members last week that the Gravity Water Feed project in Kg. Timbangoh Laut is 80% complete. This is a clear indication that our Rotarians have been working hard. Only last Saturday, Rtn G3, PP Peter Yapp, PP Oh Chu Vun and Rtn

Vincent Chua took time off to deliver more materials to the Kampung to ensure that the project will be completed in the quickest time possible.

This Saturday we will be declaring open the Mini Library at the St. Theresa Orphanage. I am aware that quite a number of Rotarians have put in a lot of effort to ensure the project's success. In particular, I would like to thank Rtn Yvonne Tan for her untiring work sourcing books and travelling up and down to Kota Marudu to make sure that all is in order for the opening this Saturday. I look forward to seeing most of our Rotarians and their family members there.

Rotarian Ho Shi Yin and his team has likewise been hard at work organising the Career Guidance Exhibition and Seminar in Keningau on 31st October. This has been one of our club's most successful project for many years and is much appreciated by the many thousands of students who have benefitted from attending the exhibition and seminar. Rural students seldom have the opportunity to attend education fairs or career development consultations. What we will be doing in Keningau will have a major impact on the lives of many of these students and may indeed make their dreams come true. Let's turn up in force to show that we care!

Happy Anniversary ...

Rtn Aldrin Wong and Soon Mun on 15 October
PP Philip Chong and Len Nyuk on 16 October
Rtn Woo Soo Poo and Sut Mui on 16 October

Happy Birthday ...

A GUIDE TO DAILY LIVING

Before doing the things we want to do, consider first, the precept of the guide. Ask yourself these 4 questions and act upon them:

- First : Have I spent some time to self examination?
- Second : Have I spent quality time with my family?
- Third : Have I given my best to my work?
- Fourth : Have I given some time to someone near and far?
