### Speaker - Rtn Yvonne Tan

Rtn Yvonne spoke about her journey from a Rotaractor to a Rotarian. With the aid of a powerpoint presentation, she spoke about her experiences as a Rotaractor and how she benefitted from the many opportunities to serve the community. She also learnt leadership qualities, especially when she became the President of the Rotaract club. Her involvement in Rotaract paved the way for her to become a Rotarian. President Chu Lai thanks her for her talk.

### PRESIDENT'S MESSAGE

One of my immediate goals is to encourage each club member to become active in at least one club project. It is impossible to realize the potential of Rotary fellowship, without becoming a part of the projects in which our club is involved. We all have ambitions; some are simply more grandiose than others. In moving toward our goals, challenges either make us stronger or weaken the pursuit.

I am very eager to continue to strengthen our club, but can only do so with the cooperation of its membership. This should not be a difficult task, as this is the strongest that our club has been, in the 25 years of my membership.

It is my sincere hope that members, especially new members, will take this opportunity to sign up for the upcoming District Membership Seminar on the 15th August 2009 at the SESB conference room.

Our new Rotary year is now in full swing. The most immediate project will be the Gravity Water Feed project in Kg. Timbangoh in Penampang. The venue is only a short distance (12 km) from Penampang so I hope all Rotarians will make the effort to take an active part in this project.

We are also busy preparing for our 26th Anniversary Celebration on the 23rd August 2009 at the STAR hotel. We are looking forward to welcoming our match-club members from the R C of Lu Chou.

**A GUIDE TO DAILY LIVING**

Before doing the things we want to do, consider first, the precept of the guide. Ask yourself these 4 questions and act upon them:

- First : Have I spent some time to self examination?
- Second : Have I spent quality time with my family?
- Third : Have I given my best to my work?
- Fourth : Have I given some time to someone near and far?

I called up President Bowling of the R C of Lu Chou. They confirmed that they will not be going to Tawau. Our revised plan is for them to go to the Bunga Raya Resort on Gaya Island after their arrival. They will stay there for one night and we will have our fellowship dinner there. Rotarians who do not wish to stay the night can come back to KK after the dinner as the Resort will provide a boat to take us back.
