PRESIDENT'S MESSAGE

As this decade draws to a close, the local communities are still faced with major challenges of clean water and health. It is therefore the continuing responsibility of each of all of us Rotarians to give particular attention to its agenda and to assist the community than need

The handling over of Kampung Pahu water Gravity and Sanitary project, which is an excellent demonstration, under the capable guidance and hard work of PP Peter Yap and Charlie Tan and the board can achieve. This project have been made possible through the generous donations of CIMB bank and YB Datuk Masidi Manjun and our sister club in Taiwan. The new board is looking forward to the day when we will be able to hand over our Gravity Water Feed project at Kg. Timbangoh Laut, Penampang in the not too distant future.

This month is Membership and Extension month and in this connection, I urge all member who are able to spare some of your time this coming weekend to attend the District Membership seminar. Membership Committee Chairman PP Philipt Chong and Trainer PP Tsen Kui Loi have put in a lot of effort in organising this half-day Seminar. Rotarians, especially our 'younger' Rotarians, should make an effort to attend.

Happy Anniversary ...

A GUIDE TO DAILY LIVING

Before doing the things we want to do, consider first, the precept of the guide. Ask yourself these 4 questions and act upon them:

- First : Have I spent some time to self examination?
- Second : Have I spent quality time with my family?
- Third : Have I given my best to my work?
- Fourth : Have I given some time to someone near and far?
