PRESIDENT'S MESSAGE

The next five days will be a true test of our commitment to this year's Rotary International Theme of "The future of Rotary is in your hand". We have the privilege of welcoming the President and members of the Rotary Club of Lu Chou together with their spouses. For this visit, Datuk Peter Lim has pulled out all the stops and their programme this year differs somewhat from previous year's. They will all have a chance to sample our island resorts and see the beauty of our marine treasures.

Admidst all the hustle and bustle of preparing for the Anniversary Dinner on Sunday, there will be many opportunities to fellowship with our visitors. For those of us who have sampled their hospitality in Taipei, this is an opportunity to return their hospitality and to show them once again the delights of Sabah. Let us welcome them in the true Sabah manner.

For golfers, Sports Convenor Rtn Aldrin has drawn up an interesting mix of courses to test everyone. I hope all golfers will avail themselves of the opportunity to play all the games.

The District Membership Seminar was successfully carried out last Saturday at the SESB Conference room. Those who were present would have learnt much about the importance of membership and membership retention in the Rotary movement..

Happy Anniversary ...

A GUIDE TO DAILY LIVING

Before doing the things we want to do, consider first, the precept of the guide. Ask yourself these 4 questions and act upon them:

- First : Have I spent some time to self examination?
- Second : Have I spent quality time with my family?
- Third : Have I given my best to my work?
- Fourth : Have I given some time to someone near and far?
